Disclaimer: This report has been generated by Khoj, a private OSINT (Open Source Intelligence) tool, exclusively for use by authorized law enforcement personnel. The contents are intended solely to assist in legitimate investigations under applicable Indian laws. This report is not admissible in court and should not be treated as legal evidence. Instead, it serves as a directional tool to support further investigative actions and must be independently verified through official channels before being used as the basis for any enforcement or legal proceeding.

The data included herein has been obtained entirely from publicly available sources and verified legal digital tools. Khoj strictly avoid use of unauthorized or unlawfully obtained data. This report is created dynamically and does not involve any long-term data storage by Khoj; no user data is retained post-transmission. Law enforcement officers must ensure that any use of this information complies with all relevant provisions of Indian law, including but not limited to the Information Technology Act, 2000, the Bharatiya Nyaya Sanhita (BNS), the Bharatiya Nagarik Suraksha Sanhita (BNSS), the Bharatiya Sakshya Adhiniyam (BSA), and, upon enforcement, the Digital Personal Data Protection Act, 2023. Officers must also adhere to principles outlined under Article 21 of the Constitution of India, which guarantees the Right to Privacy.

This report is strictly confidential and must not be circulated beyond its intended purpose. Sharing it on public platforms—including but not limited to WhatsApp, Telegram, Signal, or social media—is strictly prohibited. The requesting law enforcement agency is fully responsible for the secure handling, ethical use, and lawful processing of this report. Explicit consent from the data subject or valid legal authorization must be obtained before taking any further action based on this data.

Khoj acts solely as a technological intermediary and shall not be held liable for the accuracy, completeness, or consequences of reliance upon this report. It does not offer legal advice, nor does it control or influence the source data. The report must be used ethically and responsibly, respecting individual rights without compromising legitimate investigative goals.

By accessing or using this report, the user acknowledges and accepts these terms. It is the responsibility of the requesting agency to ensure that all personnel involved are fully aware of, and compliant with, the disclaimer and the terms of use.
